A Newsletter for Liberty Lake Citizens

PUBLISHED BY THE CITY OF LIBERTY LAKE

The Mayor's Message

The focus in my last few months as your mayor will continue to be on economic development, bringing in more opportunities for employment, helping our local economy as well as promoting patronage to our local businesses that add to the tax base.

I had the opportunity to welcome our newest employer to the City of Liberty Lake, Center Partners, who will be employing an estimated 800 people within the region. We also celebrated the expansion of the Children's Academy in their new building. Success on expanding services within our community for bus services will begin on September 18th. STA will be expanding schedules for Liberty Lake's bus routes 98 and 174. The new weekend services will help keep us a "live, work and play community". Join us in the celebration of our 10 year anniversary of becoming a city! This historical event will take place during the Lud Kramer Memorial Symphony Concert on Saturday, September 3, 2011 at 5:00 pm in Pavillion Park. This is one event you will not want to miss!

As we celebrate 10 years as a city, let's reflect on why we became a city. It was to plan for the community we wanted to be, provide protections to our surrounding mountainsides, provide services to the residents and keep our tax dollars working for us. Our incredible employees at the City have been working around the clock to make your services seamless. Whether it is our Public Safety Officers, Maintenance Crews, Librarians, Administrative Services staff, Planning and Building staff or Parks and Recreation employees,

they take pride in the work they do and it shows. Our community is safe and well planned with a variety of services provided. Our community is beautiful because of the hard work they demonstrate every day. Thank you!

The first phase of our arboretum has been completed. Please join us on Saturday, September 17th at 11 am for the ribbon cutting. We will be accepting donations of trees, plants and furnishings to add to the space. Check out the website of www.libertylakewa.gov to find the plans and the needs. We will also bury the Youth Commissions Time Capsule at this event.

As I wind down my term in office as the Mayor, together with the City Council, we have accomplished so much. As always, it has been a pleasure to be of service.

Mayor Wendy Van Orman

Back To School Resources

School is starting soon! Are you aware of the resources that the Library offers for your students?

· **Tutor.com.** A free online tutoring service available through our website. It's simple: just log on through the Library's website using your library card between 3pm and 10pm daily for help in English, Science, Social Studies, and Math. Live tutors are there using a protected chat service. Help is available for K-12 as well as college students and adults who have returned to school or are looking for jobs & career change.

· **World Book Online.** This is more than an encyclopedia. There are three levels one for adults, one for students and one for kids. Not only are print articles available, but there are also videos and links to more information.

· **ProQuest.** This online database has magazine, journal, and newspaper articles in full text format. If your students need current articles from the newspaper or a magazine, try this awesome resource. Just log in from the Library website using your library card number. If you need assistance, call and ask for Dan or Pamela.

· **History Study Center.** Global history from ancient times to the present day.

· **ProQuest Literature.** Read about authors and literature for school or pleasure.

· **Culture Gram.** Today's information about what's happening in the world.

· **Reading Counts Quiz List Interactive.** Link from our online catalog to the elementary school list if your child needs to find a book to read to earn Reading Counts points.

The Library is full of other resources. Make us your first stop when looking for books/e-information for projects or reports. Use the knowledge of our staff to help you find things quickly.

Friend the Library!

The Library has a Facebook page! Actually, we've had one for awhile, but maybe you didn't know about it. Friend us and you'll have the latest news about what's happened, happening, or about to happen! Go to Facebook and search for Liberty Lake Municipal Library. We're THERE!

Self Check-out Is Here!

Library patrons may now check-out and renew items themselves at the **Self Check-out Station** at the front of the library.

Patrons will need to have their library cards or know their barcode number to use the station. Just scan your card and wait for your name to pop up on the screen. Then scan each item or renewal and watch the title appear.

When finished, a message appears asking you to press the FINISH button which will then print out a receipt with your titles and when they are due.

If you have given the Library your email address, a receipt will also be sent to it. So, don't wait in line... check it out!

Ebook & Audiobook News

Yes, we have free downloadable eBooks & audiobooks available at the library website. All you need is your library card's barcode and a connection to a computer.

Click on the Portal and choose **Overdrive** for eBooks/audiobooks or **OneClick Digital** for audiobooks only. Follow the directions for preparing your computer and your device for receiving the files.

The Library's downloadables work on just about any device except for the Kindle, but Amazon promises that will change this fall.

Stop by the library for help and watch for our **Technology Petting Zoo** later this year for hands-on instruction!

Friends of the Library Fall Activities Includes Membership Drive

The Friends of Liberty Lake Municipal Library are re-organizing and invite all those who support their vision of the Library as the

"Heart of the Community" to the inauguration of the **New Friends of the Library** at the Library on Saturday evening, **August 27th from 4:00 to 6:00 pm.**

New directions and opportunities will be presented during a fun & informative evening. Light refreshments will be served and door prizes will be awarded.

In October the Friends will again sponsor the annual **Halloween Parade** at the library and then cap off their fall activities with a **HUGE BOOK SALE** on Saturday, November 12th. Books in good to excellent condition will be available at bargain prices as well as other library promotional and gift items.
